

How to Boost an Ad

Boost an Ad

Step 1:

If you would like to Boost your active ad to the top of the list, select the 'Boost Ad' button.

This function does not change the expiry date of your ad. Select 'Renew Ad' if you would like to extend the expiry and bring it to the top of the list.

The screenshot shows a listing management interface. At the top, a green header bar reads "Listing(s) Currently Online (1)". Below this, a listing card is displayed for "123 Test St." with Listing ID: 42140. The card includes a placeholder image "No image available", an expiration date of "September-18-2019", and details: "Downtown - \$500" and "0 bdrm(s)". The listing title is "Test 123". At the bottom of the card, there are three green buttons: "Boost Ad", "Upgrade to Top Ad", and "Renew Ad". The "Boost Ad" button is highlighted with a red rectangular box, and a yellow arrow points to it from the right. Below the buttons are three other buttons: "View Ad" (blue), "Edit" (teal), and "Take Down Posting" (red).

Step 2:

When you are ready to pay for your Boost, proceed to the shopping cart.

You must checkout for your order to be processed.

If you pay online with a credit card, your active ad will be boosted and brought to the top of the list right away. If you choose to pay to our office, your request will be processed during business hours.
